

# Cafe & Local Market

711 W Main St Lansdale PA 19446

267-222-8546

## Our Story

Small Batch Kitchen began in 2014 making low sugar sweet & savory fruit spreads out of a commercial kitchen built on Sheila Rhodes' (owner of Small Batch Kitchen) home property. In 2019 we outgrew our kitchen and expanded to our Lansdale location which allowed us to open a cafe and market. Our market features many Pennsylvania companies and hard to find sustainable products.

Our cafe sources cheeses, meats, produce, and bread locally. They are organic whenever possible. Produce is most delicious when in season so our menu changes around what can be currently sourced from our farmers.

## Mobile Ordering

For your convenience, orders may be placed ahead via our website or by calling. Limited outside dining available, weather permitting. Carryout only.

To use the QR code, open your phone's camera and hover over the above image. If you are not prompted to open a link, check that your settings allow for QR reading.

## Grab & Go

Our fresh case fridge across from the cafe is filled with yogurts, fruit, cheese sticks, and drinks. You can also find pints of our house made pasta salads, egg and chicken salads, and other specials

## Spreads

We make all our Small Batch Kitchen low sugar fruit spreads in house. In addition to being delicious on toast, our sweet and savory spreads make a delicious grilled cheese. We recommend: Blueberry Basil, Ghost Pepper, Roasted Garlic, Sour Cherry, Porter Beer, or Cherry Bourbon Chipotle.

## Menu

All sandwiches served with Pennsylvania kettle chips and house made pickles. Choice of bread: white or whole wheat sourdough; gluten free
