## Community Grant Instructions

2025/2026 Fiscal Year<sup>1</sup>

### Purposes of Grant Program:

The primary purpose of the Sublette BOCES community grant program is to open avenues for reaching these three goals of Sublette BOCES through the efforts of other community organizations. The goals are:

- *Enhance educational access and opportunities for both students and adults through collaboration with Western Wyoming Community College, Sublette County School District #1, and other educational institutions to create a seamless and comprehensive learning ecosystem.*
- *Elevate educational opportunities and bolster workforce readiness by introducing and expanding Career and Technical Education (CTE) programs for students within Sublette County School District #1 (SCSD#1) and the broader community.*
- *Expand educational horizons and foster personal growth by providing a diverse array of enrichment education opportunities to meet the needs of all populations within our community.*

### Requirements for Proposal:

Sublette BOCES is committed to enriching education in our community. Community organizations are encouraged to submit grants designed to help meet that commitment. Read all of the guidelines and prepare a complete proposal accordingly. ***The deadline for completed submissions is March 7, 2025.***

### Application Checklist:

- A cover letter that summarizes how the grant money will be expended and the purposes/goals it will address. This letter should provide a synopsis of the program as well as an explanation of anything new in the request (if a repeated request).
- The completed grant application.
- If requested**, have a knowledgeable representative of your organization attend the Sublette BOCES Grant Hearing. The sole purpose of attending the grant hearing is to address board concerns and questions about the application.
- Email the completed application to [rschamber@sub1.org](mailto:rschamber@sub1.org).

<sup>1</sup> Sublette BOCES fiscal year begins on July 1, 2025 and ends on June 30, 2026. Grant funds cannot be expended after the end of the fiscal year. Furthermore, requests for reimbursement must be submitted by June 23, 2026.

## **Post Grant Evaluation:**

If your grant is approved, you will be required to submit a grant evaluation for this program with any future request or renewal, or at the end of the project. It is recommended to collect data throughout the duration of your project so that you may submit artifacts and evidence as part of the evaluation. For further details on the requirements of the evaluation, visit our website [www.subletteboces.com](http://www.subletteboces.com) and look under “Forms”.
