Smoking Shields is a national non-profit 501(c)3 organization whose mission is to provide financial assistance to law enforcement and military members and their immediate families. Established in 2015, we have grown to 10 chapters nationwide and have other chapters in progress. During that time, we have raised and distributed funds to support law enforcement and military members/their families in their greatest times of need. We have also donated to Ronald McDonald House in New Hyde Park, NY just steps away from Cohen's Children's Medical Center as well as Toys for Tots.

On September 14, 2026, Smoking Shields will host an 11th Anniversary Dinner for Heroes Smoke on the Water. It will take place at a beautiful waterfront venue, The Bayview, 395 Woodcleft Avenue, Freeport, NY 11520.

We are asking for your support by making an in-kind donation as a raffle item(s), or consider a sponsorship. Please see the attached flyer about the sponsorships. A copy of our IRS 501(c)3 determination letter/EIN# is available upon request.

Please consider a raffle donation/sponsorship to help us continue to assist our law enforcement and military families who find themselves in need. All we ask is that sponsorships are paid in full by September 10, 2026 as well as any raffle items and artwork for digital display.

We look forward to working together and hope to hear from you soon. On behalf of the entire Smoking Shields organization, thank you in advance for your time and support.

Respectfully,

Christopher Sasso
