# CAMPGROUND WIDE WATER WAR!

WHEN: Saturday, July 11th, 2:30 - 3:30 pm

WHERE: You can either stay at your site or ride on the hay wagon/water wars trailer and we'll travel around the park for a giant water war! Meet by the lower pavilion if you'd like to ride on one of the wagons. We do not recommend smaller children ride on the trailer as they can get hurt from water balloons.

RULES: Anything with caution tape around it is OFF LIMITS! Please be mindful of your surroundings and smaller children when throwing water balloons. Absolutely **NO** sling shots are allowed.

CLEAN UP: The aftermath of water balloons can get messy. Anyone that fills up half a ziploc bag of the broken water balloons will get a free scoop of ice cream or small slushy! Just bring them up to the Lodge or kitchen.

If you do not wish to participate in this event, we will have caution tape up at the Lodge for you to place at your site, golf cart, on yourself, or anything else that you don't want getting wet. Just stop up and grab some from us before the water war!
