## Before Boarding & Daycare

### Things to Know and Bring

---

**Things to Bring** (Mostly for boarding dogs. Daycare dogs usually do not need most or any items.)

- Food
  - Save the baggies! Feel free to NOT individually bag your dog's meals. You may provide your food in its original bag, a bin, or combined in a large sandwich bag. We are happy to measure their meals.
- Treats/snacks
  - We have treats and offer enrichment snack add-ons, however you may bring your dog's favorite treats or snacks.
  - If your dog is on a limited or special diet, please do provide treats/snacks your dog can have if any.
- Leash, collars, and/or harness
- Any medication or supplements your dog is on.
  - Please provide pill pockets, cheese, peanut butter, etc that your dog takes medication with if applicable
- Disposable or washable diapers (if your dog requires any)
- Shampoo (if you want your dog bathed with something particular; we use 4Leggers)
- First Stay Only: A small blanket or owner's t-shirt (scent item) to help your dog transition

Things not to bring:

Bowls, puzzle feeders, kongs, toys, toy bones, any rawhide, dog beds, valuables. We have such a plethora of everything your dog might need, plus, the above items can look similar to ours and become lost. We do not need a hard copy of your dog's vaccination records. Blankets or bedding (scent item) after your dog's first one or two stays.

### Things to Know

- Drop offs/pick ups are scheduled appointments. You may submit a request to change your appointment time with advanced notice by editing your appointment online. Please arrive no later than 10 minutes after your scheduled appointment time. Early arrivals may not be able to be accommodated and are subject to full charges of services. Late arrivals/reschedules are subject to rescheduling at our next available appointment time and subject to additional charges.
- When you arrive, pull into the driveway to a mulched parking spot or driveway (if no spots available). STAY IN YOUR CAR and wait for us to wave you in. Do NOT come to the front door or yard. We always have reactive dogs and getting out of your car will cause disturbance and pose safety risks among other reasons. This is also to ensure you have the correct house.
- Please visit our FAQ section on our website.
