

Advanced Scuba Diver Course

Interested in getting your Advanced or just increasing your diving skills then come to STC dive center and Brian. This summer you earn your Advanced Scuba Diver along with the following specialties: Deep Diver, Limited Visibility/Night Diver and Nitrox (additional \$50) also improve your navigation skills. You can do this for only \$625.00 (that is less than the open water class in many places).

E-learning for classroom, one pool session for skill assessment and six open water dives. Required dives: Navigation (1 dive), Night or Low Visibility (2 dives), Deep dive (2 dives) and elective dive from list (1 dive). Dives must be separate dives over at least two days.

Get your E-learning access code at the shop anytime it is open, pay in person or over the phone.

9289 Swanson Blvd. Clive, IA

Orientation meeting with Brian is June 12th at 6:30 pm in the shop
