

Sherica Mohammed Cumberbatch

Sherica was born & bred in the Republic of Trinidad & Tobago but relocated to Barbados upon her marriage to native, Stephen Cumberbatch. They are the parents to three children, each of whom has tested at great length Sherica's mediation skills.

Since 2005, Sherica has been a partner at Carrington & Sealy, the oldest law firm in Barbados. An advocate for all forms of dispute resolution, Sherica has been a litigator for more than 20 years, and a certified mediator for more than 5 years, and most recently she obtained the Advanced Certificate in Arbitration from CI Arb. Her ability to assess and reframe both sides of an issue is an invaluable asset.
