

Dear Ev and Bob,

>

> Thank you so very much for donating so much of your volunteer time to DDPSA. I addressed this to both of you since you are the only two I have dealt with and talked with in the past, but I wish you would extend it all the volunteers. I have been a member for the survivorship part. It was so comforting to me to know that you all were there to look out for our spouses survivorship benefits. I am sorry to inform you that my wife recently passed away, so she will not benefit from the plan. However, she was very aware of the plan and of your help to insure she could have benefited from it because of your dedication.
