

VOLUNTEER

you can make a difference!

JOIN OUR AWESOME TEAM

Community Ambassadors Needed

Our **Volunteer Ambassadors** help raise awareness throughout our communities about **Central Plains Cancer Services programs and services**. This is a really important role as it helps us to reach new people, inspire new fundraising activity, and thank our supporters for the work they are doing.

What will I be doing?

This is a flexible role and the times may vary. There will be one virtual team meeting per month. Tasks you might be doing include dispersing program/service information throughout your community (hanging posters, placing brochures, etc). Attending cheque presentations on behalf of Central Plains Cancer Services, saying a few words about how the money raised will help make a difference for cancer patients and their families. Raising awareness of CPCS and our work through talking to friends, family, colleagues and on social media.

You will be trained and supported for this role by our Central Plains Cancer Services team and you will be provided any equipment and information necessary to carry out your role.

Where will I be based?

This role will be based within your local area. We need Community Ambassadors in all of the 70+ rural communities we support.

How do I apply?

For more information or to apply contact Sharilyn Knox, Executive Director
