

# Coffee Chat

## A Senior's Information Event

We invite you to schedule an informal coffee chat! We will be offering information sessions on a variety of cancer related topics from Screening in Manitoba, Healthy Living, Radon Testing, etc. Our Educators will work with you to determine what session or sessions are of interest to you. Central Plains Cancer Services will provide light refreshments.

To be connected with an Educator to book your session, reach out to Sharilyn.  
Call: 204-857-6100 or  
Email:
