

Need transportation to your cancer-related appointments? WE CAN HELP

Central Plains Cancer Services TRANSPORTATION PROGRAM

How our program works...

We provide transportation with care. Cancer patients who require this service will be picked up at their residence (IN TOWN or RURAL) and returned following their appointment. A family member or friend is welcome to travel with the patient. The transportation program is only for cancer patients with appointments at recognized cancer facilities, hospitals or doctor's offices. This program covers all cancer-related trips.

The cost to the patient is \$30 round trip to any location within Manitoba. Local trips \$10. Patients will be invoiced for their trip, do not pay the driver directly.

The remainder of the cost is covered by Central Plains Cancer Services, made possible by money raised through fundraising initiatives and our generous donors.
