ABOUT US

Close Enterprises is proud to offer our new **End Point Assessment (EPA) Centre** - designed for colleges, training providers, and employers to run industry-standard training, assessments and workshops.

Our centre is fully equipped with modern tools, technology, and facilities to ensure training and exams are carried out in realistic, professional environments.

OUR LOCATION

Our centre is ideally located in Bamber Bridge, Preston, ensuring apprentices and organisations across the region can reach us quickly and easily.

- Close to Bamber Bridge train station
- Well served by local bus routes
- Easy access from major roads and motorways
- Nearby cafés, shops, and accommodation for convenience

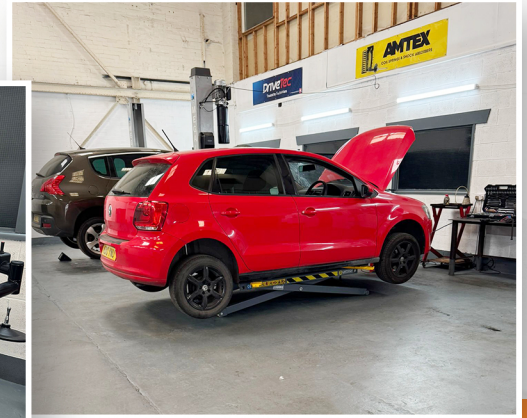

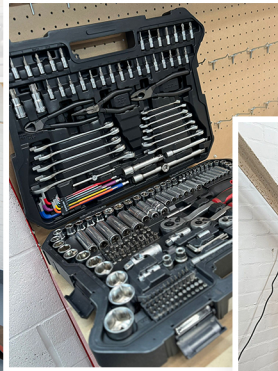

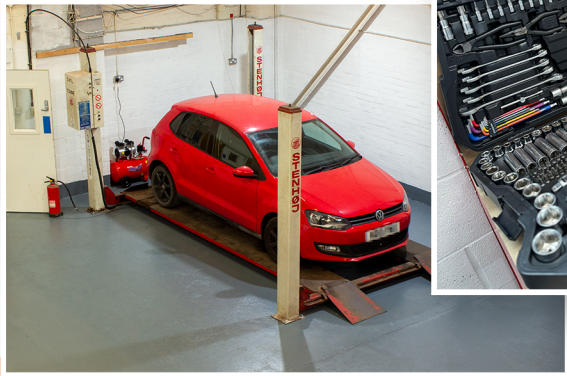

APPROVED CENTRE

We are **City & Guilds** approved, giving employers, apprentices, and training providers confidence in the standard and suitability of our facilities.

OUR FACILITIES

Modern, Flexible Spaces

- Latest industry-standard equipment and tools
- Dedicated practical, workshop, and simulated work spaces

Training & Support Spaces

- Comfortable waiting and preparation areas
- Private rooms for discussions, presentations and interviews.

ONSITE TECHNICAL AND ADMINISTRATIVE SUPPORT
Support staff available to assist as required

OUR OFFER

We provide high-standard facilities ideal for a range of activities including:

- Automotive related training and assessments
 - Engineering training and assessments
 - Practical skills tests
 - Knowledge-based exams
 - Professional discussions/meetings
 - Project and portfolio evaluations
