SUCCESS STORIES

University enrollment

This month we are taking Daywin to start his University career. We are excited for him and the journey ahead!

Qualified Lifeguards

Mark and Bartholomew are qualified lifeguards, both worked at Fancourt Swimming pool during December holiday and gained invaluable experience.

Barista

Justin is working at Millwick's on weekends and during holidays, as a barista.

MORE SUCCESS

Beverley just finished her matric and is already working at a local swimming school. Herschell is working at the Vic Bay/Tradelink factory in George while doing his assessments to become a traffic officer. Chantell is employed by an after-school centre. Aiden is the head boy of his school this year and we are grateful that we could assist him with the glasses he needs to perform in the classroom!

Parkrun

Our students will be attending the parkrun on Saturdays, so if you love being active and outdoors, please come and join us!

We are grateful for the donations of running shoes and activewear for our learners to enjoy this and our monthly hikes!

MUSIC & READING CLASSES

Three of our students started music classes sponsored by "Join bands not gangs". Any old guitars laying around at your house will be of good use to us!

Over the coming months we would like to start facilitating reading classes for our learners. Any volunteers, young or old are welcome.

WEEKLY PROGRAM

Monday	Tuesday	Wednesday	Thursday	Saturday	Sunday
Read Club	Career Day	Surfing	Music, Youth & House visits	Parkrun/hike	Church

Farewell to our 2022 team members, HELLO 2023!

We said our goodbyes to our youth worker, project manager and interns, it was a privilege to have them on the team and assist with the learners. We are excited for 2023 and new members and interns to join!
