RECAP FROM TERM 4 2023

Our two Matric students of 2023 (Picture below: Justin on the left and Jeandre on the right) **passed Matric with a bachelor degree**. They both have been part of Local Motion for the past several years and its truly remarkable to see them attain what most in our communities regards as unachievable. **Justin will be working** with James at Millwicks Cornerstone in George as a Barista, and **Jeandre have been approved to further his studies** at Southern Cape College. We are so proud of them! We Also proud to announce that **all our youths will be advancing to the next grade**, with minor improvement needed for them to excel in 2024. And on top of that we want to celebrate Daywin, a Local Motion Alumni that has passed his first year at Univercity and now studying toward becoming and engineer. Go Daywin!

ANNUAL GENERAL MEETING FOR 2022-2023

In November 2023, we had our yearly AGM (Annual General Meeting) where we as a public beneficiary organization **gave a detailed report on all our conduct**. The meeting was well accepted by those represented. The organization is growing and the impact we have within the community is increasing.

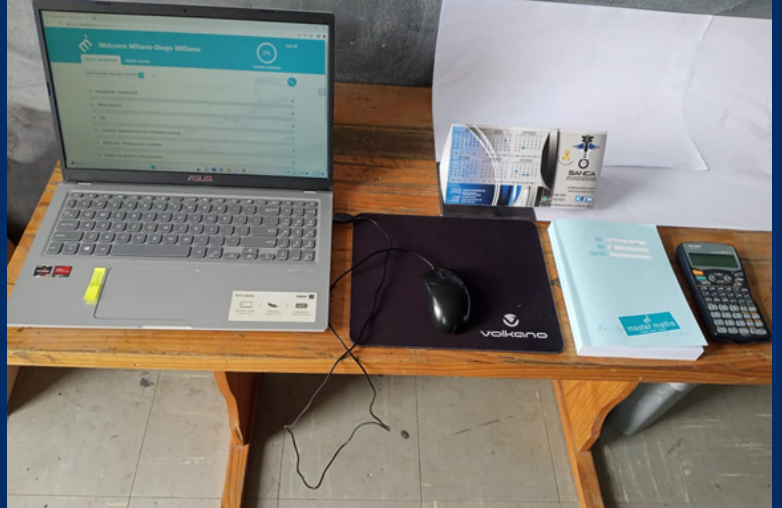

FAREWELL AND THANK YOU

We Bid farewell to our **Anelma Du Plooy a friend and dedicated volunteer** (on the right). Anelma is on a missionary adventure in America. We Bless you and **THANK YOU** for your investment at Local Motion.

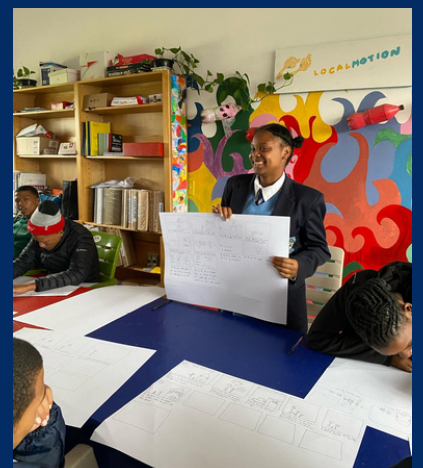

2024, STARTING WITH A BANG.

Through our wonderful partnerships with Butterfly Foundation, we have been connected with funders that has offered a financial donation towards Literacy and Numeracy. This was a well-timed donation that now enables us to partner with Master Maths, presenting a professional and quality Literacy and Numeracy program online to all our students on Tuesdays and Thursdays every week. Master Maths also offered a partnership for this program which makes it even more achievable. Thank you Master Maths and Butterfly Foundation! We are anticipating a great improvement in our student's comprehension of Literacy and Numeracy. We will keep you posted!

NEW HANDS IN OUR ART AND CREATIVITY PROGRAM.

Grethe Meissner, a professional Conceptual Art Director at Superside, and a very good friend, joined the Local Motion team on a voluntary basis. She Will lead our Art program for 2024 that runs every Monday in our school term, sharing her experiences and knowledge with our students. She has been amazing with the youth and their response to what she is teaching them is amazing. They do various activities from storytelling to creative brainstorming, to thinking games and arts. This type of exposure is what makes our youth grow. Well Done and THANK YOU Grethe!

Vision and Needs for 2024

The Vision is to GROW this impact and to extend this opportunity to more youths, even in different communities and parts of the nation. PARTNER WITH US to BREAK BOUNDARIES FOR THE YOUTH OF SOUTH AFRICA.
