Company Profile

MDODi Technical Services Contracting Company LLC is empowered with over 23 years of expertise within UAE.

MDODi aims to be one of the fastest growing and most admired contracting company in UAE. We have expertise in executing Shade structures, Wooden and Compositewooden flooring, Wooden boardwalks and WPC bridges, Wooden Pergolas, Wall Cladding and Steel & Aluminum shade structures, Barasti shade structures and Wood/ Bamboo/ Barasti Fence.

We provide ready-to-deploy solutions for landscaping projects. We deliver projects on time through efficient planning, modern techniques and do not compromise on quality and safety. We continue to strive to achieve the concept of sustainability where possible as a commitment to our existing resources, natural environment and wellbeing of our future generation.

Over the past several years, MDODi has evolved as a prominent engineering and construction services company. MDODi has weaved agility and innovation into the culture of the organization. Recent upsurge in customer expectations is bound to unlock exciting opportunities of lifting our own standards. We believe in setting newer standards for our self.
