

Votes for Women: A Story of Persistence

June 15th – July 17th 2021
at
Plantation Historical Museum

You might think you know them. They were fierce! They were radical! The suffragists each had unique talents to add to the 72-year movement. The real story of women's suffrage is more colorful and complicated than many realize, and we are anxious to tell it, 101 years after we got the right to vote!
