

THE NEW NOTHINGS

www.thenewnothings.com
thenewnothingsband@gmail.com

Straight out of the innovative heartland of San Jose, California, comes the unsigned, natural indie rock and roll of The New Nothings. With a strong vibe of modern, indie and alternative rock, along with meaningful and soulful lyrics, The New Nothings deliver high energy and memorable music reminiscent of Lou Reed and Tom Petty, with a modern vibe of David Bowie and The War on Drugs
