

Sports Sweepstakes

Sweepstakes based on sports scores with cash prizes are fun for everyone, everywhere!

Fundraiser Details

Sports Sweepstakes are a unique, profitable fundraiser featuring a fun game with cash prizes, combined with valuable offers from local businesses. They are available for these sports, depending on the time of year:

- Football • Basketball • Baseball • Hockey

Tickets are assigned randomly generated team combinations of numbers. Winners are based on either combined point scored by the teams or end of quarter/end of game scores (ie; SuperSquares), as depicted in the examples (shown to the right). Ask your BoosterShot representative for specific details.

Up to 3 valuable offers from local businesses can be included on each ticket. The offers alone will nearly, or more than, pay for the purchase price of the fundraiser.
