Palm Valley:	Oct.16th	meet at 6:00 on the basketball courts Performance 6:15 pm
Litchfield Elementary:	Oct.23rd	meet at 5:25 on basketball courts. Performance 5:30 pm
Dreaming Summit:	Oct.20th	meet at 6:00 in gym, Performance at 6:15 pm

We will meet as a group and have a quick practice run-through

Costume: This will be lots of fun! Consider this an art project.

- Step 1- Begin by selecting old, well-worn, and beat-up clothing. Search local thrift stores to find old shirts and pants for your zombie costume, or use clothing of your own that you don't mind destroying to make your costume. Choose oversized clothing that can be torn and tattered. You may want to make your costume more unique by choosing a specific zombie person, such as a football player or cheerleader (you could use an old Halloween costume). You do not have to buy a costume (A Little Drama will always try to provide a costume or make it very easy to make or get a costume)
- Step 2- Tatter the clothing - Use scissors to fray shirts, tear holes, and rub dirt and grass on clothing. Splatter brown or red paint for effect.
- Step 3- Make sure your child can dance in their costume. No masks(we have been working on facial expressions)

Makeup: The #1 rule of zombie makeup is that you can always add just a bit, but you can't remove just a bit

Face: Apply powder to protect the skin from the makeup. Use a little white, gray, or light foundation

Eyes/Cheeks: Shadow the eyes to make them appear sunken. You can do this with eyeliner or black eye shadow. Dab a little under the eye on the lid's top bone and toward the nose's sides. Gently rub into the skin. Contour under the cheekbones as well.

Lips: Paint the lips black or leave them plain **ADD Fake blood**

- Some performers may not like looking scary-being cute will always be a crowd pleaser.
- Makeup comes off easily with baby oil- Some children may react to the makeup (applying powder all over their face first may help) if you prefer not to wear makeup. That is fine.
- Register for our Christmas Session Now. Mark your calendar for the Christmas in the Park Parade Dec.12th

What is the #1 fear of people?

The fear of public speaking and being in front of an audience.
