## **A Special Note**

**I have seen first-hand the remarkable impact that Theatre Arts and Dance can have on a child's educational journey. It is a vital element that offers numerous benefits such as improved academic excellence, confidence, public speaking, teamwork, self-discipline, and receptiveness to feedback. I am grateful to have been a part of your children's lives and I am confident that their participation in A Little Drama will enrich their education and help them become well-rounded individuals.**

**Thank you for trusting me with your child's education. Wishing you all the best!**

**Gratefully, Shelly Smith**

## **What can we learn from Peter Pan?**

**Peter Pan is a classic fairy tale that teaches children valuable life lessons. It emphasizes the importance of imagination, creativity, friendship, and bravery. The story also reminds children that growing up doesn't have to mean losing your sense of wonder and adventure. It's a great way to inspire children to always keep an open mind and value their friendships. Children to embrace their inner child, to value their friendships, and to always keep an open mind.**

# Special Performance by Logon Brown

Logan Brown is a pop singer-songwriter and musician from Litchfield Park, Arizona. He sings and plays numerous instruments including the acoustic and electric guitar, piano, drums, and ukulele. His unique ability to create new riffs on the guitar while incorporating the loop pedal and vocals, results in layers of fresh, energizing beats.

Logan enjoys music from a wide variety of genres; however, his main musical niche is pop and singer-songwriter. He pulls inspiration for his own musical creativity from recording artists such as Ed Sheeran, Zach Bryan, Justin Timberlake, NF, Post Malone, and The Lumineers. For songwriting he studied under BMG musical theatre lyricist | recording artist | songwriter Carly Robyn Green.

Logan recorded his first original music in August 2023 at Off The Row Studio, in Nashville, Tennessee. His first single, "By My Side" debuted on December 1st, 2023 and reflects his perception of life and love. Additional releases include, "By My Side" and "Alright". These catchy pop songs will have you hitting repeat with remarkable lyrical runs, lots of bass, and a feel-good dance vibe.

Logan is actively performing gigs throughout Central Arizona at various outdoor venues, shows and restaurants. He enjoys performing live and loves the energy of the crowd when they hear his music.

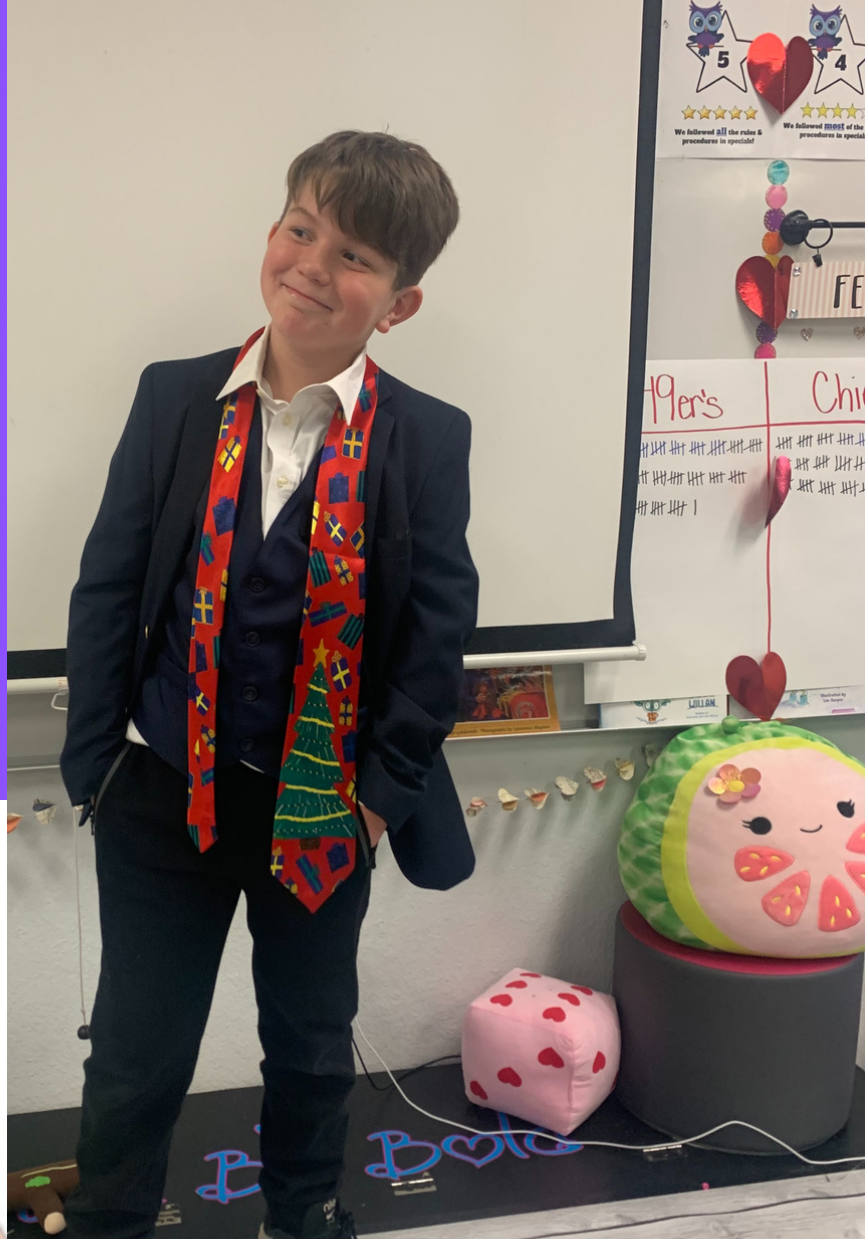

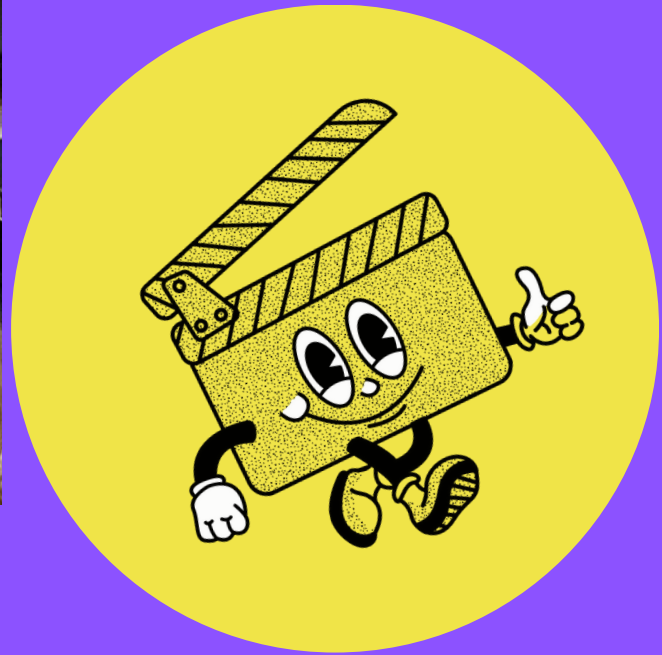

Logan's hobbies include kickboxing, hip-hop, breaking, and scuba diving!

Logan has more songs releasing in 2024. Make sure to follow him on all streaming platforms!
