### TICKETS

- You have already received your ticket envelope - \$7 a seat
- Fill out the envelope, include money, and return it ASAP!
- You will pick up your tickets at the table by the front door on the night of the performance. March 30th at drop off
- Additional Tickets will be on sale the night of the performance for \$10.

### COSTUME BAG

- This is your costume bag. Take good care of your costume - and do not lose it!
- You may add to your costume, but I reserve the right to veto changes.
- On your Costume Bag is a Hair & Makeup template, this is a guide to follow. This will be easy, when using makeup on young skin applying powder on the face will soften the glow of the lights and protect the skin. Makeup is removed easily with baby oil or wipes designed for makeup removal.
- Check the Hair template. Most student's hair must be slicked back out of their faces. This is easily achieved: wet hair, put in hair gel, and put the hair in a ponytail if need be. Follow with hair spray and set with a warm hair dryer. Please refer to the makeup template for another style of hair that fits their character.
- Remember that you must **RETURN the COSTUME IN THE COSTUME BAG** the night of the performance.
- (Don't forget to bring a **CHANGE OF CLOTHES!**)
