PROFESSIONAL

Experience

Christopher Arvizu, CCIM
Vice President

Christopher has over 20-years of Multifamily investment sales and property management experience in Southern California. His experience and knowledge have enabled him to add tremendous value to the overall profitability of his clients’ investment portfolios.

Prior to joining CBRE, Christopher served as President of Centurion Capital Investments Inc., Senior Vice President of Capital Markets-Multifamily at Jones Lang LaSalle (JLL) and began his career as a Multifamily Associate at Marcus & Millichap. In each of these roles Christopher harnessed the opportunity to learn within a team environment, hone his craft, and implement “Best Practices” resulting in a transaction volume totaling in the hundreds of millions.

With over 15-years of property ownership experience as well as 7-years of on-site property management experience, Christopher has a unique perspective regarding daily operations of multifamily properties and he understands the importance of good tenant relations, being responsive to maintenance issues, as well as being proactive to mitigate the cost of potential issues.

Marc Adolph
Associate

Marc Adolph is an Associate specializing in multifamily real estate in Los Angeles with a focus in the South Bay region. With a robust background in multifamily acquisitions and management, Marc leverages his extensive experience to provide exceptional service to his clients.

Marc’s attention to detail and ability to effectively communicate the factors influencing property value are pivotal strengths that help his clients successfully navigate complex real estate transactions. His analytical approach ensures clients receive comprehensive insights needed to make informed investment decisions.

Prior to joining CBRE’s South Bay Multifamily Group, Marc built a solid foundation in business through 27 years of experience in B2B capital equipment sales. This extensive sales background equipped him with exceptional negotiation skills and a deep understanding of client needs.

Marc’s entrepreneurial mindset provides him with a unique perspective on market dynamics, allowing him to identify opportunities that others might overlook. His combination of real estate expertise, sales experience, and business acumen makes him a valuable partner for investors looking to optimize their multifamily property portfolios in the competitive Los Angeles market.

Process & Tools

We can help reevaluate your current and future portfolio needs by taking your portfolio data, industry and corporate strategy and combining it with our proprietary business intelligence, performance metrics, and diverse range of value drivers.

Dimension | Location Analytics

CBRE's proprietary Intelligent Site Selection process offers clients a 360-degree view of each real estate option and decision.

Weigh the trade-offs based on a set of intelligence:

- Real estate
- Labor
- Incentives
- Transportation
- Location Criteria

Features

- Brings science to the art of site selection
- Turns data and maps into vital, visual stories
- Blends demographic and local market data
- Makes decisions quicker and more confident

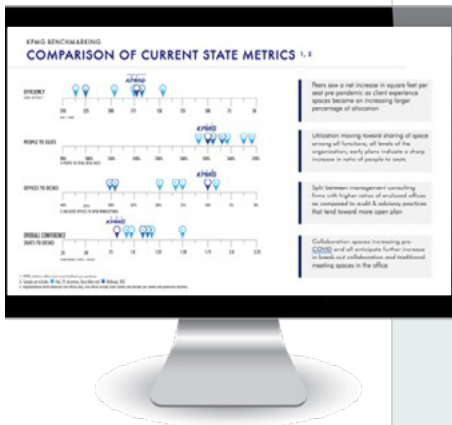

CBRE Transact

CBRE TransAct, our proprietary customized transaction management solution, enables our clients to stay fully informed on all activities through a centralized, web-based dashboard and real-time, customizable reporting.

Benefits

- Centralizes TM tasks into one easy-to-use tool
- Streamlines closing deals and tracking outcomes
- Creates custom reports, maps and market analytics
- Supports better decisions for better performance

CBRE Deal Flow

CBRE Deal Flow is our proprietary digital marketplace and global listing platform for all property and portfolio sales. This all-in-one toolset streamlines the entire transaction process by providing property marketing capabilities, full-coverage tracking, a secure virtual deal room and sophisticated reporting that offers meaningful, actionable data.

Benefits

- Diverse search capability
- Customize real-time alerts based on specific acquisition criteria
- Accelerate transactions efficiently with a virtual deal room

CBRE Portfolio Diagnostic Report

A summarized report identifying immediate cost reduction opportunities hidden within a portfolio.

Benefits

- Workplace optimization
- Supply chain optimization
- Labor arbitrage
- Cost segregation
- Lease auditing
- Location incentives
- Synthetic leases
- And more...

CBRE Capital Markets

Our trusted, tenured experts seamlessly collaborate to help clients connect to global capital and opportunities through a cohesive, cross-disciplinary service offering. We unlock hidden value, drive returns and enhance outcomes for your real estate investments, in all geographies and across all asset classes.

Property Sales

Offers customized investment dispositions, acquisition and recapitalization services, together with industry-leading, proprietary intelligence, to connect investors to the right properties at the right time.

Debt & Structured Finance

Synthesizes a global ecosystem of lenders and capital sources to provide debt and equity financing to developers and owners for all property types, achieving the best financing terms for our clients.

Real Estate Investment Banking

Solves critical business problems for clients by providing investor access and strategic advice across the spectrum of real estate investment banking activities, including M&A advisory, equity placement, secondary LP trading and investment advisory.
