Pro Bono Indiana, Inc. Eviction/Housing Stability Judicare Clinic Invoice

Pro Bono Indiana, Inc. (hereafter “PBI”) offers a variety of civil legal aid services through the efforts of its professional staff and local volunteer attorneys, paralegals and law students across the state. Some of these services are supported by grant funding that allows PBI to retain the services of “judicare” or “low bono” attorneys who serve as independent contractors to provide direct legal services to individual applicants. Thank you for your willingness to offer such services through one of PBI’s member programs.
