 Need to know how we can deal.

Are you hurting my dear one?
 Let me see, let me feel,
 Need to know what helps to heal.
 Where's the pain?

 We'll call the doctors they will know
 What to do and where to go.
 Breathe deep and rest.
 You know I am here, my dear

Verse 5

Eeh! Eeh! Need Escape!

 What to do and where to go.
 Breathe deep and rest.
 You know I am here, my dear.
