Vote **NO** on Issue **4**

What began as a zoning concern with Keep It Rural has grown into a broader, far more critical issue...

Representation

When large numbers of residents are ignored and representatives vote for corporate interests instead, this affects our entire city.

How long before you have your 'Keep it Rural' moment and are dismissed as well?

City leaders will use Issue 4 results* to determine how aggressive city growth will be without resident support—now and in the future.

Now is the time to convey a strong message to the city:

RESIDENTS MATTER!
