## Conversion pdf tns

### How to convert pdf to tns.

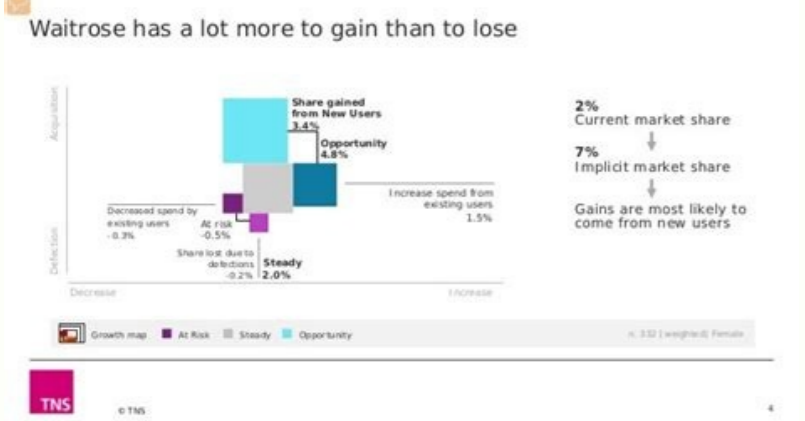

You cannot open a PublishView™ document (.tnsp file) on a handheld. However, you can convert the PublishView™ document to a TI-Nspire™ document that can be transferred to and opened on a handheld. When you convert a PublishView™ document to a TI-Nspire™ document: • Only the TI-Nspire™ applications become part of the TI-Nspire™ document. • PublishView™ objects such as text boxes, images, hyperlinks, and videos are not converted. • Text contained in PublishView™ text boxes is not converted; however, text in a TI-Nspire™ Notes application is converted.

**And let's make a solemn commitment here...**  
... because we do care about truth

If we find that it's not very good;  
and we find a better way –  
we will use the better way

• If images are contained in a TI-Nspire™ application, they are converted; however, images contained in PublishView™ objects are not converted. Complete the following steps to convert a PublishView™ document (.tnsp file) to a TI-Nspire™ document (.tns file). 1. Open the PublishView™ document to be converted. • The new TI-Nspire™ document opens in the Documents Workspace.  
• All supported TI-Nspire™ applications are part of the new TI-Nspire™ document. • Starting from top to bottom, and then left to right, the layout of the TI-Nspire™ document is based on the order of the TI-Nspire™ applications in the PublishView™ document. - Every TI-Nspire™ application in a PublishView™ document will appear as a page in the converted TI-Nspire™ document. The order of the pages in the TI-Nspire™ document is based on the layout of the TI-Nspire™ applications in the PublishView™ document. - If two or more problems are at the same level, the order is left to right. • Problem breaks are maintained. • The new TI-Nspire™ document is not linked to the PublishView™ document. 3. When work in the document is complete, click to save the document in the current folder, —or— Click to save the document in a different folder. Note: If the document has never been saved, both the and options allow saving in a different folder. Note: You can also use the option to convert a PublishView™ document to a TI-Nspire™ document. : If you try to convert a PublishView™ document that does not contain TI-Nspire™ pages or applications, an error message is displayed.
