## 2021 Fundraiser

Players were asked to share 20 e-mail addresses of friends and family for our safe no contact fundraiser. They will need to provide e-mails by this Thursday March 8th .

Check it out: [WeFund4U Website](#)

*Please note when friends and family receive the e-mail from WEFUND4U it will come from your player and we do not see or share these e-mails with anyone else. Several schools including WHS have used this fundraiser in the past 2 years and it is been very successful.*
