

# Examples of Social Media Legal Notices

## Websites:

### Legal Notice

Structured as a Private Association and a Faith Based Ministry, the information on our site is intended for members of the private association and ministry affiliates. The Association/Ministry is governed solely by our Bylaws and Ecclesiastical law.

Written Membership applications are available upon request.

### Private Membership Association

XYZ Association is a Non Statutory Private Membership association operating within the Private Domain. Please know all actions though this page are Private transactions between XYZ Association and its implied members. A purchase is agreement of membership.

## Social Media Platforms:

If you are a member of this group, you have also become a member of my Private Membership Association. All posts and content within this group are protected content and remain in the private domain. If you do not wish to be a member of my PMA, please remove yourself from this group.

Group members, and discussions within this group, are held in the private domain. DO NOT share information from this group without prior permission or take any information into the public domain. If you want to share private information with others, bring them to our group. Be polite and respectful of others. If you see something you don't agree with or don't understand, engage in dialogue and pleasant conversation and keep an open mind. You may just learn something that can change your life and the lives of your kids and grandkids.
