Board Meeting News and Notes

As we near the end of the year, we will be in need for residents to run for board positions. Prior to that, we need volunteers to be on the nominating committee. This entails talking to your fellow residents and ask them to run for a board position. Please contact Mark or Pam on the board if you can spend some time helping the community.

Veterans Day 2026 takes place on Wednesday, November 11, 2026. It is a federal holiday dedicated to honoring all American military veterans who have served in the U.S. Armed Forces—both living and deceased. We appreciate your service!

President's message

Greetings and salutations to my fellow VM2 residents! As I write this, we are just a week away from Halloween, and I'm surprised I haven't seen any Christmas decorations in the stores yet. Give it another three weeks, at most, right? Certainly, we'll see trees going up in the stores and the mall before Thanksgiving. In addition to Thanksgiving and the Christmas run-up, November is a busy month for the HOA board. We have year-end paperwork to do, plans to make for the upcoming year, and must start thinking about elections for new board positions. Pam has written about opportunities to get involved with the board, and I really encourage you to do so. It's not always easy, but it's very important to our neighborhood's quality of life. Ask me or the other board members if you want more information. We'd love to have you! (And remember to prepare yourselves for the onslaught of Christmas music everywhere!)
