

## Washington Department of Fish and Wildlife – Volunteer Rat Island Docent Process

1. Complete a profile: [https://www.cervistech.com/acts/console.php?console\\_id=0052&console\\_type=application](https://www.cervistech.com/acts/console.php?console_id=0052&console_type=application)

The screenshot shows the 'Create Volunteer Profile' form. It has three main sections: 'Volunteer Interests', 'Volunteer Equipment', and 'Volunteer Groups'. In the 'Volunteer Interests' section, 'Outreach events support' is checked. In the 'Volunteer Equipment' section, 'Smart Phone' is checked. In the 'Volunteer Groups' section, the 'Groups' dropdown is set to 'All Groups'. Callouts point to these selections with the text: 'Select the last option, Outreach', 'Select Smart Phone', and 'Leave blank'.

**Volunteer Interests:**

- ☐ Mammals
  - Marine Mammal Stranding
  - Pygmy Rabbit Reintroductions
  - Oiled Wildlife Response - Oil Spill
