

To Whom It May Concern,

I want to introduce you to Voices of Our Youth, a 501(c)(3) nonprofit organization that serves low to moderate-income individuals and families within our community by providing them with food, necessities, and resources.

Our mission is to create a culture that embraces every human's diversity, prosperity, and integrity while promoting the economic and social well-being of youth, individuals, families, neighborhoods, and communities.

We believe in empowering individuals to advocate for their needs, promoting their strengths and abilities while providing resources to educate and enrich their lives so they can face challenges with integrity and dignity. We are a beacon of hope to our community and provide the necessary programs for success.

Our organization cannot do the things we do without the help of generous donors like yourself. Each donation is a manageable size, and we take donations of new bikes, toys, clothing, general merchandise, cash, nonperishable food, and gift cards for our events and distributions to help us to live up to our vision.

Voices of Our Youth's motto is From Services to Solutions.

- ❖ We equip people with the opportunity to develop character traits and skills that enable them to make positive choices when faced with the pressures to conform to risky behaviors.
- ❖ We empower individuals to understand that their voice makes a huge difference in this world and that all ideas are worth exploring.
- ❖ We empower them to increase their motivation and to fuel their own power for change.
- ❖ We encourage people to use their passions for good.

Realizing that people face many obstacles in life, we are giving our clients hope by providing the following resources to help ensure their success:

- ❖ Voices of Hope (distributions)
- ❖ Voices Mobile Market (grocery delivery)
- ❖ Voices Cares (emergency intervention and food delivery to keep families together)
- ❖ Voices Community Partner Programs (community collaborations)
- ❖ Voices Boutique (everyday clothing)
