

Note: Expect a limited selection of groceries compared to mainland stores, and prices may be higher due to the cost of transportation to the island. It's recommended to bring some of your own food, especially if you have specific needs or preferences, as the island's stores may not carry everything.

Wesley's Market

Wesley's Market is an open air market located at 217 Haig Point Rd, (Haig Point Rd. south of the intersection with Church Rd.). Open only on Saturdays, from 9:30 am to 1:30 pm, weather permitting, the market offers fresh produce, fish and shrimp, and hosts independent local vendors offering a variety of fresh food. You may find baked goods, pre-made meals, beer cheese and fresh spring rolls, among other items. Please note that, since the bulk of the produce and seafood items are transported from Hilton Head by boat, market hours may be affected by weather conditions, up to and including cancellation of the market.
