

Mason volunteer Fire Department

Call volume

This month we responded to a total of nine calls four fire related and five medical

Equipment

We were able to receive the new fire truck and have been outfitting it to meet our needs It is making all of our first responder runs. This should save us money in fuel and make us more efficient

Recruitment and training

We have been working on the station and have fixed the building out back and it is usable again

We have also begun weekly training

Thank you for your continued support

David Wideman

Fire Chief
