# Monthly Report

Reporting Period: May 2025

## 1. Fire Calls & Incident Reports

During this reporting period, Mason Volunteer Fire Department responded to:

- 2 Fire-related incidents
- 4 EMS-related incidents

## 2. Department Repairs & Improvements

- Obtained donated building materials to repair station walls.
- Purchased materials to fix the back carport, ensuring improved structural integrity.

## 3. Training & Certifications

- David and I completed EMR training; David is currently awaiting his test.
- I will not be taking the EMR test and instead will be enrolling directly in EMT training at Dyersburg State Community College, since the immediate need for a medical license has been resolved. This allows me to focus on obtaining EMT certification to better serve Mason residents.
