

## Estimate for Peer Support Team Oversight

### PSCS (Public Safety Crisis Solutions) provides:

- Licensed Mental Health Professional to oversee Peer Support Team
  - Participate on Peer Team Advisory Board
    - Assist with creation and adherence to Standard Operating Procedures.
  - Development and training of peer support team
  - 12 hours of CE training for Peer Team Members each year
  - Provide mental health guidance to Advisory Board Members
    - Peer Support Team Coordinator, Member Services Rep, Department Administrator) in regards to peer team contacts and functions
- High Stress Incident and Traumatic event consultations (M-F), 9-5

**\$1000.00 per month/\$12,000 per year.**

### How is PSCS different from your current program?

PSCS offers 1:1 assistance or assessment, crisis stabilization or connection for inpatient intakes or preferred counselors. Oversight of a peer support team. High stress incident and traumatic event consultation services.

A Peer Support Team can call PSCS for assistance (M-F, 9-5).. The peer team coordinator will have 24/7 access to behavioral health professional to assist with member assistance needs including traumatic event or high stress incident management. FIRESTRONG website management and assistance with PST profiles.
