

## Kaukauna Raiders Program Goals

**Welcome to the Riverview Raiders!** Our goal is to give our athletes an opportunity to enjoy the game of football in the safest possible manner while learning about teamwork, accountability, commitment and effort. We want every athlete to have a positive experience that will stay with them for years to come. We believe that the experience gained through participation in football will be beneficial to our athletes, not just in sports, but in all aspects of their lives. Every individual is important to our team's success. Success at this level is not measured with wins, but with a positive experience that leads to participation in football for years to come.

### WHAT WE EXPECT FROM PLAYERS

- **Eligibility-** Follow the Riverview Athletic Code and maintain eligibility.
- **Class-**Do what is right in all settings, including school, community, and at home
- **Sportsmanship-** We expect our players to respect the game, the officials, and their opponents.
- **Commitment-** Players will come to each practice with a TEAM first attitude and learn the skills needed to help the team.
- **Responsibility-** Players will take care of and return their equipment.
- **Communication-** Let coaches know when there is a problem, injury, or schedule conflict.
- **Effort-** Effort requires no talent and is always expected.

### WHAT YOU CAN EXPECT FROM OUR COACHES

- Teach the game with a positive attitude, and provide clear expectations.
- Treat each player with respect.
- Be accountable for their actions and use appropriate language.
- Put overall team and program goals in front of wins and losses.
- Communicate effectively and as quickly as possible on schedule changes.
- Be respectful of others' time, including starting and ending practice on time.

### WHAT WE EXPECT OF PARENTS

- Have a positive attitude towards their child's participation in our program
- Be respectful to other players, teams, coaches, and officials
- Bring any concerns directly to the head coach of the team your child participates on, in a private conversation, at least 24 hours after a game
- Communicate with coaches if your child will be missing a game or practice as soon as possible
- Meet the volunteer requirements for the season
- Encourage your child to work hard during practice and put the goals of the team before their own
- Understand our coaches are doing the best they can, as volunteers, and give them the respect and gratitude they deserve
- Be respectful of others' time. Ensure your child is on time for practice and be there to pick your child up from practice on time as well.
