

ICONIC SAILS

From Maritime Heritage to Timeless Design

EVERY SAIL HAS A STORY

We transform retired sails from yachts worldwide into handcrafted bags that carry the soul of the sea.

Based in Newport Beach, California, we source retired sailcloth—from America's Cup champions to weekend racers—and add authentic nautical artifacts to create pieces that are truly one of a kind.

WHAT MAKES US DIFFERENT

MARITIME HERITAGE

Every bag begins its life on the water. The sun bleached and salt wear marks, are weathering not flaws—they are the story. No two pieces are identical because no two sails have sailed the same course.

SUSTAINABLE LUXURY

We give retired sails a second voyage instead of sending them to landfills. Beautiful, responsible, and built to last.

PERSONALIZE YOUR STORY

Add GPS coordinates from your favorite anchorage. Embroider your yacht's name. Choose naval chart linings of the waters you love. Make it uniquely yours.
