Preserve Your Club's Maritime Legacy

ICONIC SAILS

Transform retired and winning sails into exclusive member products that generate revenue for your club.

Your old racing sails shouldn't end up in landfills—they could become your most popular pro-shop items. We craft tote bags, duffels, and accessories from your fleet's retired/winning sails or yacht club flags and burgees.

Each piece can be personalized with your club's insignia, colors, and GPS coordinates, giving members tangible artifacts from races sailed and seasons past while creating unique memories for winners and gifts for their crew and guests.

Revenue Opportunities:
Pro-shop retail with high margin
Regatta prizes members actually want
Fundraising: Own a piece of your championship season.
Corporate sponsorship tie-ins
