

Guidelines for Shopping at Backyard Market in Black Forest

Follow the Path.

To promote social distance, please follow the path we have set in place. It is one way!

Masks or Face Shields are Required

To enter the market, you are required to wear a mask or a face shield.

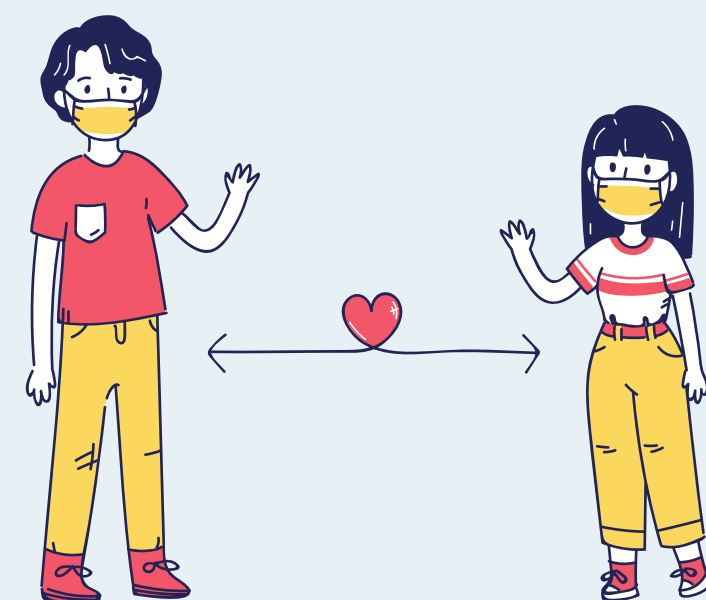

No Public Restrooms

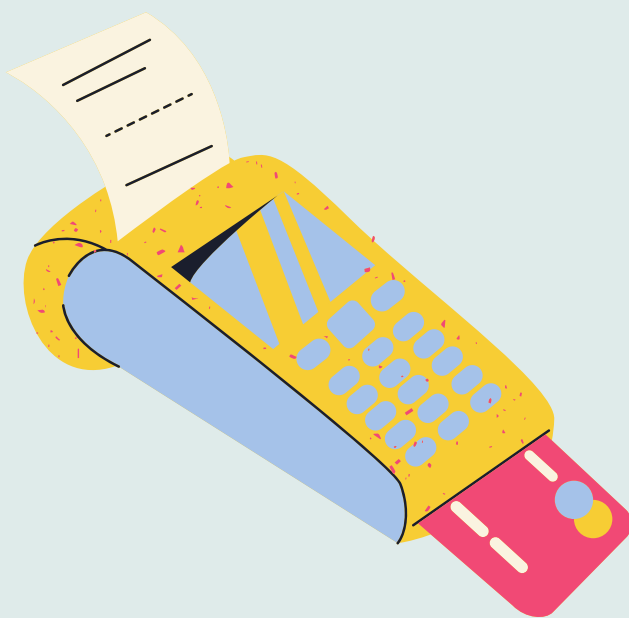

Reduce Physical Contact

Try to keep socializing to a minimum and give each other space. Avoid touching products unless you are buying them

Minimize the use of Cash

Use exact change or credit card.

If you've been ill, please stay home and join us another week!

We are open all summer!

Thank you for your patience and supporting our market

Guidelines for Vendors during Covid-19

Masks or face shields are Required.

As essential service providers we must adhere to these guidelines

Stay in the lines.

Your area has been marked off and 6 feet has been placed between you and the next booth. Please adhere to these lines

Limit Cash

Encourage customers to use a credit card. If card requires signature, offer to sign an X for them. Consider rounding cash to whole number to limit handling

Reduce Contact.

Set up your booth so that customers cannot touch your offerings and instead are encouraged to shop with their eyes. Sanitize high-frequency touch areas,

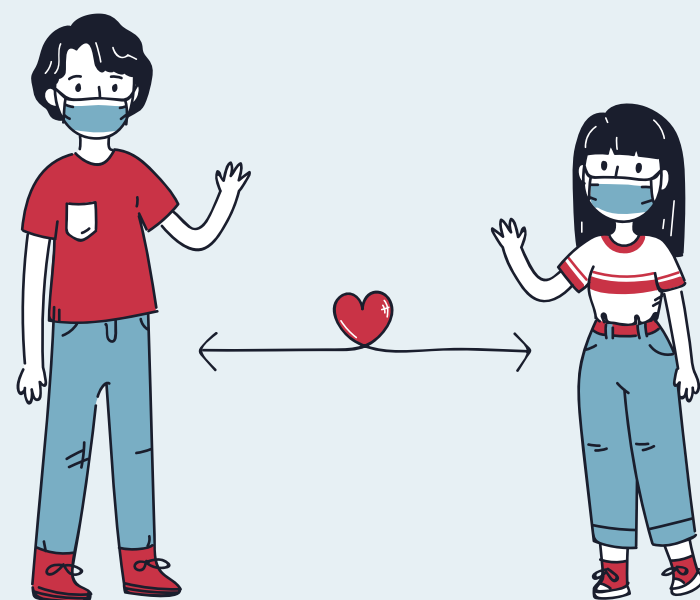

No sampling onsite!

Consider giving out prepackaged samples for them to try at home

Help remind customers.

We are all this together

Thank You Vendors!

For your patience and support as we strive to create a safe market experience!
