BURSARIES

AWARE has a bursary fund available to anyone who needs to attend the weekend to help them in their spiritual growth but doesn't have the financial means. Our hope is that the ladies whom benefit from the bursary will in the future, be able to sponsor themselves in coming to AWARE.

Applications are processed on a first come basis and on full price.

Bursaries are based on the full amount. Ideally 1/3 is paid by the person attending, 1/3 is paid by the church and 1/3 is paid by AWARE. However every application is reviewed by the Bursary Committee in strictest confidence and considered on an individual basis. **A form must be filled out for each bursary** (these are not automatic).

.Speaker **Heather Gillies**

Brought back by popularity.

She joined the circus when pregnant with her second child, jumped out of planes when she was 49, and tried scuba diving at 50.

As a result of her Dad's diplomatic career she lived in London, England, Washington D.C and Ottawa, before heading off to Theatre School in Montreal at the age of 18. With kids in tow she spent Christmas's in Dublin, Ireland for a number of years, where her Dad was posted. In 1986 her career path took a dramatic change, as she needed a "real job" and went to Law School at the age of 39. She has been in practice ever since, even spending a few years on the bench of the Small Claims Court, with her own rendition of "Judge Judy".

About 20 years ago she discovered AWARE Peterborough, and began to truly find her voice and to truly hear His. She is part of the AWARE team and thus the speaking is truly a team event and effort, using her "story telling" and her team's inspiration.
