Proven Expertise

Marie Bailey is a retired U.S. Navy Supply Corps Officer with more than 35 years of distinguished leadership in financial management, strategic planning, and program oversight across the Department of War (DoW). Her career spans senior roles within the Navy, Army, and Joint environments, including service on the Joint Chiefs of Staff (JCS), where she led high-impact initiatives to strengthen fiscal accountability, modernize financial processes, and drive cross-service innovation.

With deep expertise in strategic planning, budget guidance, and business process improvement, Marie has a proven track record of optimizing resources and achieving operational efficiency within the Navy, Army, and broader DoW financial structures. She holds a Master of Science in Financial Management from the Naval Postgraduate School and a Bachelor of Science in Computer Science from Norfolk State University; making her a trusted advisor in financial decision-making across defense agencies.
