

NEW 2017 MODEL  
OUT NOW

the  
original  
hip thrust  
machine

## BENEFITS FOR THE GYM OWNER

- Compact design – saves floor space.
- Quick and easy use – saves time and allows more people to perform the exercise in less time.
- Eliminates the need for gym member to occupy benches, barbells, plates and floor space.
- Safety- avoids members injuring themselves or those around them by balancing barbells and weights doing the hip thrust exercise.
- Target group testing is conclusive: Everyone loves the Booty Builder, and the market is ready for a machine to build a perfect set of glutes!

You are doing an optimal range of motion and movement for targeting the gluteus maximus when exercising on the Booty Builder®.

The Booty Builder® is a new and innovative machine which makes Hip-Thrusting easy and fun, and builds a great set of glutes that will attract the admiration of everyone!
