

SPORTFLOOR®
PERFORMANCE RUBBER FLOORING

WEIGHT ROOMS

sportfloor.ca

Maximize Performance Minimize Odor

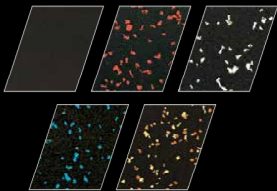

**5 YEAR
WARRANTY**

For over 40 years, SportFloor has been providing premium rubber flooring solutions designed specifically for weight rooms. Made with a non-porous surface, SportFloor repels liquids to minimize clean up, odor and maintenance. Plus, optimized for safety and comfort, SportFloor is the perfect rubber flooring choice to reduce injuries, improve performance and enhance the comfort and appearance of your weight room.

SportFloor offers three great looking product lines - Stamina, ReAction and ProXL - for the ultimate combination of style and function.

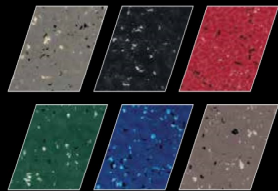

Stamina

Low Absorption

ReAction

Long-lasting Performance

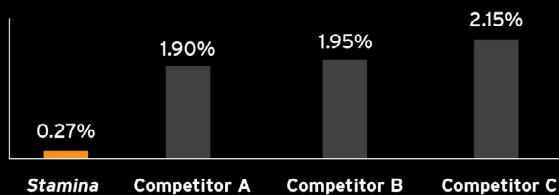

ProXL

Superior Versatility

For a full listing of available colors, see Technical Data Sheets.

Moisture Absorption Rate*

* Results based on moisture absorption tests with Stamina and competing products
