

PALLADIUM CHEST PRESS SPL-0900

A vision to the future, premium craftsmanship meets advanced biomechanics in TRUE's Palladium Series. Advanced functionality, comfortable touchpoints, and precise ergonomics are all packaged in a modern design. Set your facility apart and provide users with an intuitive strength-training experience with the Palladium Series.

FEATURES

- 8 position seat adjustable while seated or standing uses premium grade linear bearings and gas cylinder assist for stable, low friction adjustments
- Unilateral press arms converge at 25 degrees in front of the user resulting in full articulation of the shoulder complex
- Unique 4 position adjustable seat back allows users to change horizontal handle position with respect to the shoulder
- Overhead pivot design allows handles to travel in slight natural upward arc for maximum muscle recruitment

USER AMENITIES

- Height Adjustment Guide
- Easy access phone cradle and accessory storage tray with cup holder
- Integrated adder weight system reduces increments to 5 lbs / 2.3 kg
