

PALLADIUM HIP THRUSTER SPL-2000

A vision to the future, premium craftsmanship meets advanced biomechanics in TRUE's Palladium Series. Advanced functionality, comfortable touchpoints, and precise ergonomics are all packaged in a modern design. Set your facility apart and provide users with an intuitive strength-training experience with the Palladium Series.

FEATURES

- 6 position torso pad with gas cylinder assist accommodates wide range of users
- Back pad pivots throughout entire range of motion to encourage maximum hip extension
- Oversized foot platform with non-skid surface for exercise variation
- Ergonomically designed handles provide support and encourage proper alignment during exercise

USER AMENITIES

- Easy access phone cradle and accessory storage tray with cup holder
- Integrated adder weight system reduces increments to 5 lbs / 2.3 kg
