

TRUE® Performance 8000 Treadmill

Premium Feel. Customizable Experience.

Meet the TRUE Performance 8000 Treadmill

The **TRUE Performance 8000 Treadmill** offers a premium, customizable experience featuring Soft Select. Built to withstand the toughest workouts, the Performance 8000 combines smooth, quiet quality with unflinching durability.

Your Fitness Experience

Constructed with commercial-grade materials and premium components, so each piece of equipment feels and functions like a commercial machine, while in the comfort of your home.

Your Body Will Thank You

The TRUE Soft System® and Orthopedic Belt offer the highest level of impact reduction for your joints and knees. The 8000 treadmill features our exclusive TRUE Soft Select® adjustable deck cushioning, allowing you to customize the feel.

Maximize Your Workouts

TRUE HRC allows you to enter your target heart rate for maximum results. Our one touch TRUE HRC Heart Rate Cruise Control™ allows you to use HR at anytime in your workout and will adjust speed and incline automatically once you hit your target HR.
