PAST PERFORMANCE

► IT Overhaul and Cloud Migration

Harris Consulting Group successfully led numerous IT infrastructure overhauls and cloud migration projects, achieving all milestones within budget and scope. These projects enhanced clients' decision-making capabilities through data analytics, with full compliance with Agile methodologies.

► Agile Process Optimization and Project Success

Managed large-scale technology projects with significant budgets, improving project velocity by up to 98% and reducing risk by 25%. Each project was delivered within budget and schedule, showcasing the firm's commitment to excellence in Agile process optimization.

► Digital Transformation for Customer Engagement

Developed and executed comprehensive digital marketing strategies, resulting in substantial increases in website traffic, customer acquisition, and brand awareness. Infrastructure upgrades led to enhanced system reliability, supporting clients in achieving both growth and operational efficiency.

► Salesforce CRM Implementation

Led multiple CRM implementations that achieved 100% success, applying a risk management approach that boosted team productivity and reduced resource use by 30%. Harris Consulting Group delivered high-impact outcomes, improving workflow efficiency and customer satisfaction.

► Agile Coaching and Team Development

Provided Agile coaching to a variety of teams, leading to a 40% increase in productivity and a 20% rise in team satisfaction. Harris Consulting Group's leadership fostered a collaborative culture, which directly enhanced project delivery and overall client outcomes.
