

2025 Campground Special Horseshoe Lake

Hello Campers, we survived another winter and now, it's time to get back to camping!

Let us provide you with a 100lb cylinder priced at \$105.00 tax included. We will deliver and pick up the cylinder(s) at your assigned lot. Delivery (mid-May) and picked up (mid-Oct).

Please note there will be a **\$25.00** surcharge and rental fee if the cylinder(s) are not at the same location it was delivered (***if you have moved lots during the season, please notify PES office***). Upon pick up at the end of the 2025 camping season, there will be **no credit** issued on any remaining propane in the cylinder(s). For any cylinder(s) not returned, or not available for pick up at the end of the season, the same **\$25.00** surcharge plus any applicable rental/restocking fees will apply.

If you or anyone you know is interested in taking part in this year's CAMPER SPECIAL, please complete the bottom portion and return it to our office before **May 10th, 2025** to receive your tank(s) for opening day.

Have a Safe and Happy Camping Season!

No cylinder(s) will be delivered until payment has been processed.
