

Maple Syrup Grades

Sweet Ontario
PURE MAPLE SYRUP

Maple syrup is graded and then sold in classes that reflect its colour and taste.

All of the following classes apply to Ontario Grade A maple syrup.

-  **GOLDEN** Delicate Taste
-  **AMBER** Rich Taste
-  **DARK** Robust Taste
-  **VERY DARK** Strong Taste

These grades are regulated under both federal and provincial legislation. When buying, always look for the grade on the container. The taste descriptor is there to help you imagine the taste intensity of the syrup inside so you can choose the one you personally prefer (or need for your recipe).
