**I. Of the Scriptures** We believe that the Holy Bible was written by men divinely inspired, and is a perfect treasure of heavenly instruction; that it has God for its author, salvation for its end, and truth without any mixture of error for its matter, that it reveals the principles by which God will judge us; and therefore is, and shall remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and opinions should be tried.

**II. Of the True God** We believe that there is one, and only one living and true God, an infinite intelligent Spirit, the Maker and supreme Ruler of heaven and earth; inexpressibly glorious in holiness, and worthy of all possible honor, confidence and love; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Ghost; equal in every divine perfection and executing distinct but harmonious offices in the great work of redemption.
